

East Regional Management Board

Want to make a difference in the fastest growing women's sport?

Netball East are supporting England Netball's exciting but ambitious vision for the future – “we aspire to increase participation year on year, deliver a first class participant service and become No 1 in the World, by winning the World Netball Championships”.

A new **Regional Performance Lead** is required in the region, as our previous lead has decided to retire after many years as an invaluable volunteer. We are therefore looking to fill this voluntary position with a remit to carry out the management of the Regional Performance Pathway, support the Performance Pathway Coach and Administrator, lead Performance TSG and sit on the Regional Management Board as the Performance Lead.

This is an exciting time for Netball we are the fastest growing women's sport and we are featured regularly on Sky Sports. Interested? Then download the attached application pack and return to:

Netball East, England Netball Head Office, 1-12 Old Park Road, Hitchin, Hertfordshire, SG5 2JR.

Alternatively should you wish to have an informal discussion in respect of this opportunity then please contact the regional office either by telephone: **01462 428366** or e-mail: east@englandnetball.co.uk and leave your details and the Regional Chair/Regional Manager will contact you for an informal discussion.

Please Note: *This opportunity has unique requirements, specifications and deadlines, therefore it is highly recommend you download ALL documents associated to the role to ensure you understand what it will entail.*
