

Net 10 for Life

28th Feb - 15th March 2015

As part of England Netball's flourishing partnership with Cancer Research UK, we are continuing our *Net 10 for Life* initiative to raise vital funds through our love for netball.

For the fortnight beginning 28th February, every team taking part in this fantastic initiative will pledge to donate 10p per goal scored in their weekly fixture. E.g:

Luton Lollypop Ladies 45 (£4.50) v Dunstable Dinner Ladies 33 (£3.30)

Total pledge from each team = £7.80

Umpires are also encouraged to get involved, by swapping their whites for some pinks, and rounding any donations up to the nearest pound. At the end of the match, a willing volunteer needs to collect

How Leagues can support *Net 10 for Life* and encourage teams to take part...

Every league and team in the country is invited to take part in this exciting fundraising initiative to help raise thousands of pounds for this incredible charity.

- Promote *Net 10 for Life* using the posters and flyers around league venues, send an email to teams and umpires in the league encouraging them to take part and how they can donate
- Contact your local Netball Development Officer for additional posters, flyers, buckets and CRUK banners to display during *Net 10 for Life* at venues and to include in pictures
- During *Net 10 for Life* fortnight encourage umpires to be a part of it and wear pink!
- Provide opportunities for teams to donate directly after their match (easier if at a central venue) using Goblets, Buckets (these can be provided if needed, contact your NDO)
- Don't forget about Freya Active and Harrod UK Competitions, take as many photos as possible to promote how your league has supported via Twitter, Facebook, EN Website and Just Giving
- Nominate someone from the league to collect the funds and donate using the Just Giving page and be recognised as a whole league
- Enjoy and join together to help netball beat cancer
